

INVISIBLE SHIELD®
PRE-CLEANER & RESTORER
32 FL. OZ. (950 ML)

Invisible Shield Pre-Cleaner & Restorer is a liquid glass cleaner and restorer that cleans, descales and degreases glass to its original condition. It removes organic and inorganic contaminants including soil, grime, oily films and minerals. It is designed to pre-clean older, worn glass before protecting it with the Invisible Shield® Glass & Surface Coating or the Invisible Shield® PRO 15.

Invisible Shield Pre-Cleaner & Restorer is safe and effective at removing most soil, stains and build up without the use of aggressive scrubbing. Use on windows/facades, partitions, skylights, glass ceilings, glass flooring, shower doors, glass block, balustrades, mirrors, sandblasted glass, solar panels, marine glass and more.

It is safe on plexiglass, fiberglass, acrylics, stainless steel, chrome, metal, aluminum and cultured marble.

DIRECTIONS FOR USE: Invisible Shield Pre-Cleaner & Restorer is designed to be sprayed directly onto glass and allowed to sit for a minute or so to dissolve greasy film, heavy soil or stains before wiping it dry.

The glass must be rinsed with clean water and dried before application of the Invisible Shield Protective Glass Coatings. **Note:** Do not use Pre-Cleaner in hot, direct sun or when temperature is in excess of 90°F.

WARNING: Eye Irritant. Avoid contact with eyes: If contacted, flush with water for 15 minutes. If irritation develops, see physician.

KEEP OUT OF REACH OF CHILDREN.
